The Colorado Springs Rod & Custom club is proud to announce support of all the meaningful programs of the Silver Key Senior Services organization as the beneficiary of the 38th Thin Air Nats. Silver Key Senior Services, implemented in 1871, is a nonprofit organization and provides many essential services required by the elderly in the Pikes Peak region including the promotion of independence: economically, emotionally and physically. The members of the Colorado Springs Rod & Custom club thank you for your support so we in turn can support the elderly who have earned and deserve our help.
